**We Gather** M.C. Burnell, 2020-07-03 Civilization may go up in flames if a group of people who hate each other can't learn to be friends. The 3,000-year-old Barrachite Empire is in decline. A vestigial aristocracy worries about debt while the emperor bends the knee to trade cartels. Modern Barracheh is still the mightiest civilization in the area, but they no longer birth conquerors or visionaries. No one is building monuments anymore like the massive pyramids near every older city. Sathriel has traveled Barracheh from the jungle that birthed his people to the snowy north; he's walked the plains and coast and desert in his mission to bring back the sorcery that forged the empire. It's a tricky task since its disappearance is a mystery. It doesn't help that assassins and spies belonging to the emperor have dogged his steps since he ran away from home 9 years ago. They're twins, and no one knows the truth about what spawned their feud. No sooner does he find a sorcerer than the witch Ha'ere finds him. Bringing back the sorcery will have consequences, positive but also negative. She wants to introduce him to the band of allies handpicked by her gods to help him. The catch? They're either foreigners from countries he's never even heard of or his enemies. *We Gather* is an Achillean epic by every measurement, from pathos to scale. Get in on all the colossal battles, thrilling swordfights, and staggering magic with the first book in the series.

**Love Like That** Amanda Hill, 2012-08-15 Meet Dalton Moss: quick-witted, impulsive, aggressively unambitious; a halfhearted assistant to a Hollywood events planner, she has a penchant for dive bars and abusing her mother's credit card. Meet Dalton's boyfriend, Roman: charming, intellectual, worldly; he lands in L.A. just long enough to slip a two-carat diamond on her finger before flying right off again. Now meet Dalton's other boyfriend, Jeremy: perfect in his imperfection, surly in his attraction to her and can match her beer for beer; she doesn't want to love him, but can't help herself, despite

Roman—and despite Jeremy's other girlfriend. Confused? So is Dalton. Now that she's engaged, twenty-five-year-old Dalton figures she should temper her fiery, furtive relationship with Jeremy. After all, this is her chance to shed her bad-girl habits and live happily ever after. It's a no brainer: Roman's offering a rescue from her drowned existence in L.A. But Jeremy could be her twisted ticket to wonderland. She's been holding out for a crushing feeling, a love like that, but will she figure out which man she has it with before she loses them both?

**Whose Choice Is It?** Dawill Estimable,2014-01-25 The book is divided in three important parts. Part one talks about God, devil, human, and choices. Part two talks about my biography. My biography reveals some of the reasons why I believe that we are who we are not by choice. Part three talks about the American justice system, and a law suit I filed on my own, against a bank. We say in America justice is for all! I say in America, the justice system is simply a little bit better than other places that Ive been. Ask yourselves, if the law is run by humans, and we know humans dont protect humans right. Humans only protect interest in human rights. How can justice be served to everyone when according to us there is no interest in everyones right? But, its all about perception. Like our God, everyone thinks the way they perceive God is the right way! It may be true according to them. Because, I read an anonymous quote that says, Everyone creates their own reality. As for me, I just order every fiber of my body to give glory to God for whom and what I am today. Who I am which resulting what I am today is all due to God. Because the LORD is close to the brokenhearted and saves those who are crushed in spirit. He has a heart for those of us who are nothing. He sees our needs, even before we ask for help. He blessed me even before I even knew him! He changes my messes in to messages. My biography in the middle of the book will tangibly prove my statement. You will learn about my existence throughout the book. Youll see why I am so in love with the Lord! Most of my siblings have been killed. My father has had 19 kids with eight mothers. Only seven of us remain alive. From 19 kids, he has had five with my mother with whom he was married. I was the first one, but the only one remains alive. See my biography for details. When we create something, we humans issue a manual that tells others how to manage it. The Lord gave the manual of life written with his hand. Thats the 10 commandment. The bible is the development of the Ten Commandments according to human perception. The bible is loaded with philosophy. My belief is whatever it is were doing, we are either inspired by Holy Spirit, or the devil. We say, Those who wrote the bible were inspired by God. The bible talks about the Lord, of course. The authors would have to be inspired by God through the Holy Spirit. The Holy Spirit talks to us, through our perceptions. Im also inspired by God to write this book, because Im talking about God. If this book appears to be against the Lord, may he stop it now!
