Why was "Spook" a slur used to refer to African Americans? Jul 29, 2023 · I understand that the word spook is a racial slur that rose in usage during WWII; I also know Germans called black gunners Spookwaffe. What I don't understand is why. Spook seems to also mean 'ghos... **Where does the use of "why" as an interjection come from?** Mar 18, 2011 · "why" can be compared to an old Latin form *qui*, an ablative form, meaning *how*. Why does everybody want to help me whenever I need someone's help? Can you please explain to me the difference in mean... *Why are the United States often referred to as America?* Nov 16, 2010 · Why would it be strange to shorten this? It is common to shorten the official name of a country — most people don't even know the official names for the various countries. For example, the official name of Mexico is "los Estados Unidos Mexicanos", which means "the Mexican United States"; nobody is surprised that it is referred to as "Mexico". **Politely asking "Why is this taking so long??"** You'll need to complete a few actions and gain 15 reputation points before being able to upvote. Upvoting indicates when questions and answers are useful. What's reputation and how do I get it? Instead, you can save this post to reference later. **orthography - Why are names that begin with "Mc" first in order ...** Why is it that in lists of people's names, surnames beginning with Mc are listed before surnames beginning with Ma? For example, if a book had a bibliography listing its references, we would see t... *Origin of the phrase, "There's more than one way to skin a cat."* Jun 30, 2011 · I couldn't find any use of the phrase earlier than the 1840 Money Diggers reference, but I did find some background to which the saying might refer. Apparently the debate on cat-skinning boiled down to whether or not it was done while the cat was still alive.
