The Most Famous Writer Who Ever Lived Tom Shroder, 2016-10-04 The Washington Post Book Club's October Pick One of Washington Independent Review of Book's Favorite Books of 2016 "A grandson of writer MacKinlay Kantor unravels the tangles of his grandfather's life and finds many of those same threads (the good, the bad, the ugly) in his own...A compelling account, suffused with both sympathy and sharpness, of a writer who's mostly forgotten and of a grandson who's grateful."—Kirkus Reviews An award-winning veteran of The Washington Post and The Miami Herald, Tom Shroder has made a career of investigative journalism and human-interest stories, from those of children who claim to have memories of past lives, in his book *Old Souls*, to that of a former Marine suffering from debilitating PTSD and his doctor pioneering a successful psychedelic drug treatment in *Acid Test*. Shroder's most fascinating subject, however, comes from within his own

family: his grandfather MacKinlay Kantor was the world-famous author of *Andersonville*, the seminal novel about the Civil War. As a child, Shroder was in awe of his grandfather's larger-than-life character. Kantor's friends included Ernest Hemingway, Carl Sandburg, Gregory Peck, and James Cagney. He was an early mentor to the novelist John D. MacDonald and is credited with discovering the singer Burl Ives. Kantor wrote the novel *Glory for Me*, which became the multi-Oscar-winning film *The Best Years of Our Lives*. He ghostwrote General Curtis LeMay's memoirs, penning the infamous words "We're going to bomb them back into the Stone Age," referring to North Vietnam. Kantor also suffered from alcoholism, an outsize ego, and an abusive and publicly embarrassing personality where his family was concerned; he blew through several small fortunes in his lifetime, and died nearly destitute. In *The Most Famous Writer Who Ever Lived*, Shroder revisits the past—Kantor's upbringing, his early life, his career trajectory— and writes not just the life story of one man but a meditation on fame, family secrets and legacies, and what is remembered after we are gone.

BORN OF PHYRE Frank Underwood Jr., 2011-09-08 Though the road is glazed with a fresh layer of rainwater, LEO CINQ-MARS gingerly maneuvers his slightly neglected, 1992 Ford Explorer through the heavy evening traffic. Although seven years have passed since the tumultuous event that violently altered his life, Leo has acclimated himself to an existence of mundane routine and does just enough to get by. His lifestyle seems to scream, "I'm breathing this air, walking this earth, but hating the life I'm living." His only reason for continuing is the Judeo-Christian fear that if he kills himself, eternal damnation will follow. For seven miserable years, he has been praying for an end to his bitter existence, an existence that was once so very sweet. His waking nightmare is a continual reminder of his excruciating loneliness, and, with every passing day, he immerses himself in ritual. On the weekends, he personally manicures four gravesites and spends any remaining moments praying quietly. Monday through Friday, he methodically drives the same stretch of highway. The only variant to the lonely, monotonous drive is the musical rotations peppered by the banal advertisements on his car stereo. He comes home from work, consumes a modest meal, and vigorously develops his martial arts skills. However, during this particular drive home, Leo unexpectedly sees a woman in the seat next to him. He is so stunned by her presence and distracted by her extraordinary beauty that he loses control of the car, and the vehicle is violently thrust into a series of uncontrolled flips. Crushing metal resounds, creating a symphony of horrendous consequence that leaves Leo and his companion unconscious. As Leo drifts in and out of reality in the hospital, he overhears his former high-school sweetheart ANN WALTON and a nurse talking about his accident. They discuss how lucky Leo and his girlfriend, who has also been hospitalized, are to be alive. Leo is baffled by the unknown woman's presence in his car, and he hears Ann immediately dispute the possibility that Leo is involved romantically with this or any woman. While Leo is unconscious, Ann visits him every day. She spends hours musing over their meeting in seventh grade, their subsequent romantic relationship, and her hopes of rekindling the love affair. Once Leo regains consciousness, Ann is happy that he is awake and alive. She admonishes him for his involvement with this other woman, and Leo, in turn, admonishes Ann for overstepping boundaries and for clinging to a relationship that ended in high

school. Regardless, Ann remains intrigued and perplexed, and she is determined to learn all she can about this mysterious woman who has invaded the territory of her heart. For days, Leo remains bewildered that he has no memory of the woman, and, despite the fact that the doctors can find no medical evidence, he begins to think he has amnesia. Eventually, he goes down the hall to visit the unknown woman and discovers her sleeping. As he stares, he is mesmerized and captivated by her utter perfection. Leo is still convinced the whole thing is a dream, and because he is so weak, he passes out. Later when he wakes in his room, Leo's is thrown into a state of disconcerting confusion as he questions his sanity and his mortality. Exhausted by the personal query, he falls asleep until he is reawakened by a tranquil touch. When he opens his eyes, he discovers the mystery woman is in his room and has been watching him sleep. Leo is elated to find the woman he thought was a dream is actually sitting next to him and caressing him in such a way that he feels the first serenity he has experienced since that horrible day when his family was violently ripped from him. Leo and the enigmatic woman finally speak to each other. She tries to convince Leo that he knows her, yet he cannot remember her. He is amazed to find that she seems to know a great deal about

Impostors Christopher L. Miller, 2018-12-10 “Miller takes us on an exciting tour of postcolonial and world literature, guiding us through the literary maze of the real and the pretenders to the real.” —Ngugi wa Thiong’o, author of *Wizard of the Crow* Writing a new page in the surprisingly long history of literary deceit, *Impostors* examines a series of literary hoaxes, deceptions that involved flagrant acts of cultural appropriation. This book looks at authors who posed as people they were not, in order to claim a different ethnic, class, or other identity. These writers were, in other words, literary usurpers and appropriators who trafficked in what Christopher L. Miller terms the “intercultural hoax.” In the United States, such hoaxes are familiar. Forrest Carter’s *The Education of Little Tree* and JT LeRoy’s *Sarah* are two infamous examples. Miller’s

contribution is to study hoaxes beyond our borders, employing a comparative framework and bringing French and African identity hoaxes into dialogue with some of their better-known American counterparts. In France, multiculturalism is generally eschewed in favor of universalism, and there should thus be no identities (in the American sense) to steal. However, as Miller demonstrates, this too is a ruse: French universalism can only go so far and do so much. There is plenty of otherness to appropriate. This French and Francophone tradition of imposture has never received the study it deserves. Taking a novel approach to this understudied tradition, *Impostors* examines hoaxes in both countries, finding similar practices of deception and questions of harm. “In this fascinating study of intercultural literary hoaxes, Christopher L. Miller provides a useful, brief history of American literary impostures as a backdrop for his investigation of France’s literary history of ‘ethnic usurpation.’” —Henry Louis Gates, Jr., New York Times–bestselling author

Echoes of the Void Noah Sides, In the aftermath of the devastating battle between Professor Hex and Captain Fire that left St Birthman in flames, Hex flees the ruined city, leaving chaos in his wake. And There I Was Volume II DH Koester, 2012-10-15 This is the second of nine journeys in the *And There I Was* series. In 1991, through a chance meeting in Bangkok with an old CIA station chief and his retired French army counterpart, expeditions were arranged into Cambodia and Laos, both still reeling fifteen years on from the devastating effects of war and

genocide. The author's route took him through Thailand's northern hill country, on to Cambodia and Laos and finally Nepal and India. Experience intensely profound moments in Laos and Cambodia, sit along the Mother Ganges in the holy city of Varanasi beneath billowing clouds of smoke from crematoriums and contemplate the path of life. Bear witness to Cambodia's horrific memorials to the genocide and take in the grandeur of Angkor Wat. Sit in a cave on the Mekong and explain to a Pathet Lao soldier why your country indiscriminately killed so many of his people. Die a slow death in an island bungalow on the Gulf of Thailand, feel the heart-wrenching anguish of a young girl's cremation and finally, the emotions evoked when setting one's eyes for the first time upon the Taj Mahal. DH Koester has been a farmhand, aerospace engineer, atomic physicist, vagabond, materials engineer, professional photographer, artist, furniture maker, writer and hobo. He holds degrees in both Physics and Mathematics and though a citizen of the United States, he spent seven years in the Canadian North.

Women of the Bible and Contemporary Women of Faith Jacqueline George, 2017-09-22 This book focuses on a selected sample of women of faith from the Bible to contemporary times. It addresses how these women have been change agents in multiple facets of life, including in the family, in politics, and in the wider society. While their underlying connection can be seen as their faith in God and their willingness to serve, their vulnerability has also been evident. For the reader seeking to increase his or her faith in God and develop a closer spiritual walk, and for any whose interest lies in recognizing the similarities between biblical times and the present, this review that ranges from Eve through Mother Teresa through Oprah and Malala should be a must-read.

HOLY SH*T, THEY'RE GONE: Navigating the F*cking Aftermath of Loss Without the Bullsh*t Cassandra Crossno, 2025-03-10 THE BOOK GRIEF DOESN'T WANT YOU TO READ ----- So, they're gone. And now, everything is fucked. Your entire fucking world just got obliterated. One second, they were here—your person, your anchor, your goddamn reason for breathing—and now, they're just fucking gone. Reduced to memories, ashes, a gaping, screaming HOLE in the fabric of your goddamn existence. The world SHATTERS, doesn't it? One minute they're breathing, laughing, living, and the next... NOTHING. Just a void that swallows everything whole, leaving you choking on the dust of what used to be. Everything you knew is a smoldering crater, a wasteland of what-ifs and never-agains. And the infuriating, soul-crushing reality? The goddamn sun STILL rises. Traffic STILL crawls. People STILL bitch about their lattes. The fucking AUDACITY of the world to keep turning when yours has stopped DEAD. Meanwhile, you're drowning in this soul-crushing, brain-melting, rage-inducing hellscape called grief. People start talking, and 95% of what they say is the most tone-deaf, ignorant, rage-inducing, and straight-up offensive bullshit you'll ever hear in your life. "Oh, they're in a better place." Better place my ass. Their place was right the fuck here, with you. "Everything happens for a reason." Say that again, and you might catch hands. ----- Grief isn't just sadness. It's a goddamn onslaught. It's a neurochemical shitstorm that hijacks your brain, making you forget your own address and put the remote in the fridge. It's a physical assault that leaves you exhausted, nauseous, shaky—like you got hit by a truck and then dragged for miles. You expect the big days to hurt—birthdays, anniversaries, holidays. But it's the tiny, everyday gut-punches that fuck you up the most. Looking at their side of the bed and feeling like the air just got knocked out of your lungs. Seeing their favorite coffee mug. Hearing their laugh in a goddamn dream. Yeah, those. And then there's the pressure—to "move on," to "find meaning," to be some kind of goddamn poster child of grief instead of the broken, furious, drowning mess you actually are. Guess what? You don't have to play by their rules. This is not a soft, hand-holding guide to healing. This is not a collection of gentle affirmations. This is not a "breathe

deeply and let go” pile of spiritual bypassing. THIS IS A GODDAMN WAR MANUAL FOR THE SOUL UNDER SIEGE. A brass-knuckled, battle-scarred, no-holds-barred roadmap through the hellscape of grief. This book is going to rip grief open, lay it the fuck out, and force it to look you in the eye. It will not tell you to “move on.” It will not pat you on the head and tell you “it gets better.” It will tell you the brutal, ugly, completely unfair truth about what it means to keep breathing when the one person who made life worth living isn’t here anymore. ----- WHAT’S INSIDE THIS LITERARY GRENADE? □ THE TRUTH, THE WHOLE TRUTH, AND NOTHING BUT THE FUCKING TRUTH No sugarcoating. No silver linings. Just the unfiltered, gut-wrenching reality of loss—the moments when you actually get mad at your person for dying. The way grief makes you feel like a fucking burden. The guilt when you catch yourself laughing for the first time in weeks. The deep, bone-shaking loneliness that makes you feel like you’re screaming into a void. □ A BATTLE PLAN FOR YOUR BRAIN Grief isn’t just an emotion. It’s a complete biological hijacking. Your brain is in full-scale fucking mutiny. It’s chemically rewiring itself to handle trauma, which is why you can’t concentrate, why you forget what day it is, why food tastes like cardboard, why you feel like you’re losing your goddamn mind. Welcome to grief brain. It’s real. It’s brutal. And it’s a fucking menace. □ A FIELD GUIDE TO IDIOTS & THEIR BULLSHIT People will say some of the stupidest shit you’ve ever heard in your life. From the toxic positivity crowd (“Just be grateful for the time you had!”) to the spiritual bypassers (“It was their time” / “The universe has a plan”), we’re calling out every category of grief-related dumbassery and giving you the arsenal you need to shut them the fuck up. □ A RAGE ROOM IN BOOK FORM If you’re pissed off at the world, you’re not crazy. You’re grieving. And grief isn’t just crying into a pillow—it’s an all-out war against reality. You’re mad at fate, at the universe, at people who still have what you lost. And yes, you’re probably mad at your person, too. That’s normal. That’s grief. □ PERMISSION TO BE A BADASS Forget “moving on gracefully.” Here, you get the green light to flip off the world, throw things, scream into the void, and grieve however the hell you need to, whenever you need to, for as long as you need to. There is no deadline on your grief, and anyone who tells you otherwise can go to hell. □ NAVIGATING THE GRIEF MINEFIELD From surviving the first everything without them (first holiday, first birthday, first Tuesday that just feels fucking impossible) to shutting down clueless assholes who think they’re helping, this book arms you with the tools you need to exist in a world that suddenly doesn’t make a goddamn lick of sense. □ A WHOLE LOT OF “I SEE YOU” Because in your darkest moments, you don’t need a grief expert. You need someone who knows what it’s like to watch their fucking world burn and remember all over again that they’re never coming back. Someone who’s still standing somehow. Someone who won’t tell you how to feel but will stand in the wreckage with you, middle fingers up, ready to take on grief like the soul-stealing motherfucker it is. ----- WHY THE FUCK DO YOU NEED THIS BOOK? If you’ve ever wanted to punch someone who said, They’re in a better place, THIS IS YOUR BIBLE. If you’re drowning in platitudes and useless advice from people who haven’t experienced the soul-crushing pain of loss, THIS IS YOUR LIFE RAFT. If you’ve fantasized about telling the universe to go

fuck itself, THIS IS YOUR ANTHEM. If you're teetering on the edge of sanity and desperately searching for something, anything, to help you feel less alone, THIS IS YOUR COMPANION. If you're ready to rage, fight, claw your way back to the land of the living, one brutal, messy step at a time, THIS IS YOUR GODDAMN WEAPON. THIS ISN'T JUST A BOOK; IT'S A GODDAMN CALL TO ARMS. Here's what they don't tell you: you're never going to be the same. Grief doesn't go away. You don't get over it. You learn to live with the absence. You learn to breathe again, step by step. You learn how to carry them forward with you—not in some cheesy “they’re watching over you” kind of way, but in the real, raw, everyday moments where their absence is a weight you learn to bear. ----- SO, WHAT THE FUCK NOW? Now, we get to fucking work. Grief is a feral beast, and it will hunt you down. You can't run from this pain. You can't bury it, drink it away, fuck it away, work it away. The longer you fight it, the harder it fucking hits. The only way out is through. And this book? It's coming with you. This isn't some soft, hand-holding, “it gets better” bullshit. This is about dragging yourself through the fire, one brutal, ugly, soul-crushing step at a time, until you realize grief didn't kill you, even though it sure as fuck tried. It's about facing the cruelest reminders of their absence, from the mundane to the catastrophic, and learning how to survive these heart-punch moments without letting them pull you into an abyss. It's about giving yourself credit for just existing—because sometimes, that's the hardest fucking thing you'll ever do. One day, you'll wake up, and the first thing you feel won't be pain. One day, you'll laugh without feeling guilty about it. One day, you'll realize that you are still fucking here. And that means you are not fucking done yet. There is a shitload of work ahead of you. We're gonna torch some lies. Make a fucking mess. Get way too loud, then turn that mess into something raw, beautiful, and all yours. So, grab your weapon, steel your nerves, and prepare to fight for your goddamn life. Let's begin.
