**By an Addict, for an Addict** Mark Andersch, 2016-07-30 This book is not just your typical story of one man's battle with his addictions but a comprehensive guide through the recovery process for addicts, the families of addicts, and the addicted loved ones in our lives. With over twenty years of his life spent addicted to drugs, sex, self-mutilation, gambling, alcohol, and prescription pills, Mark has already earned his PhD in addiction psychology and addictive behaviors. Assembled from a copious array of his own knowledge and life experiences, the wisdom and experiences of other addicts (both actively using and those in recovery), obtainable educational materials, countless hours of one-on-one, family, and group therapy sessions, and actual implementation throughout the last four years of his everyday life, Mark peels back the many layers of his addictions in an all-out attempt to wage war and win against the constant daily battles inside his head. Fraught with countless failures, relapses, and mental setbacks, his heart bleeds onto these pages the emotional and psychological pain that addiction has brought into his life and the lives of those who love him, for addiction doesn't discriminate whom it tears apart! With a fervent love of cinema and superheroes, an adoration of history spanning all eras of civilization, and an unquenchable desire for intellectual wealth and knowledge through the absorption of books, Mark projects a calming sense of reasoning and logic all without shying away from the exploration of his own vulnerabilities and of his own demons in a last-ditch attempt to break the cycle of addiction. Join him on his journey of self-discovery! Learn from his life experiences living as an addict. **The Present.** Jason Paul Jelicich, 2016-12-27 When is the last time that you did nothing for 10mins? Not reading...not watching TV...not even thinking? For many this seems an impossible feat. Life is just too busy. We have become so consumed by our work, smartphones and gossip that we have lost touch with our natural selves. This disconnection is the root cause of much of the pain we suffer, a pain that arises from our resistance to what is. You likely have been thinking about 'doing something about this' for a while now, knowing that your current trajectory leaves little left in the tank for self-care. Like most of us, you have experienced that feeling of restlessness that keeps your mind whirring, even in moments of repose. The world just keeps on getting faster, and you find yourself struggling to keep pace, to stay on top of things, to stay centred. *The Present* is written for people just like you. It is a laypersons guide to mindfulness, offering insights and practices on how to be less tangled up in your thoughts about the past and/or future - and become more present. After all, when you are present you are happy, in fact, it's impossible to be happy and not to be present! You're bound to get at least one idea that resonates with you and sets you on a path towards more peace and contentment in your life. Perhaps the best news of all is that it can happen right here, right now.
